LINCOLN UNIVERSITY OF MISSOURI PROPOSAL IDEA FORM

This form is to be filled out and forwarded to the Office of Sponsored Research & Grants at such time as a faculty or staff member <u>begins</u> to formulate a research or project idea which may require funding from a federal agency, foundation, or other extramural sources. The purpose of this form is to enable the Administration to determine promptly if the program and resources of the University warrant the development of the idea into a formal proposal. **No formal proposal will be processed unless this form has been received.**
