Traffic and Parking Regulations

I. Authority, Purpose and Policy, Application and Effective Date

1.01 Authority. These regulations are adopted pursuant to the authority vested in the Board of Curators of Lincoln University by the laws of the State of Missouri. These laws provide, in relevant part, that the government of the University is vested in a Board of Curators; the Curators shall improve and protect the property of the University; and the Curators shall publish and distribute traffic regulations.

1.02 Purpose and Policy. The Board of Curators of Lincoln University has deemed it necessary and desirable by virtue of the authority conferred upon it to create and establish a Safety and Security Committee for the University and has delegated to the President of the University the authority and the responsibility to activate such committee. This committee has been charged with the responsibility to recommend rules and regulations designed to effect the safety and welfare of students, faculty, employees, visitors and other persons traveling upon or having access to the University property or property in which the University has possession or control; to review the security and parking needs of the University; and to hear appeals for citations issued for traffic violations which occur on the campus. These regulations are further designed to effect the proper use and protection of University property, as well as the efficient operation of the University.

1.03 Application. These regulations shall apply to all students, faculty, and employees of the University and all other persons while on University property and shall be deemed a part of the terms and conditions of the admission and enrollment of students and the employment of faculty and staff and other persons working under the direction of an administrative unit of the University. These regulations shall also apply to visitors or other persons and shall be deemed a part of the terms and conditions of the permission to enter the grounds of Lincoln University and to drive or operate vehicles on the property of Lincoln University. The operation and/or use of motor vehicles and bicycles on the property of the University campus by any person shall constitute consent and agreement to observed and be bound by these regulations.

1.04 Conflicts with Missouri State Laws. If any provisions of these regulations shall be in conflict with any applicable provision of any Missouri State Law, rule or regulation of Lincoln University, Missouri State Law shall govern.

1.05 Effective Date. These regulations as they appear in this document shall become effective upon approval of the Board of Curators.
